Homepage

MAIN BANNER

- “Menu” button does not work (work on my laptop, but not working on the client’s)
- “Find a Location” button does not work – Needs to link to the locations page.
<https://www.tcccanada.com/location/>
- Remove “Create An Event” button to “Let’s Connect” that brings you to the “Contact Us” link <https://www.tcccanada.com/contact-us/>

OUR SOLUTIONS

- Change Workspace to Coworking Space
- Change Enterprise Suites to “Memberships” link
<https://www.tcccanada.com/pricing/#membership>
- Add Virtual Offices to this list (instead private offices)
- Make boxes clickable to reach the pages:

Meeting, event space - <https://www.tcccanada.com/event-space/>

Coworking -

Virtual office - <https://www.tcccanada.com/pricing/#virtual-office>

Memberships - <https://www.tcccanada.com/pricing/#membership>

LOCATIONS

- “See All Locations” button does not work

- Instead of each location in a box, add interactive map of Canada to show to the locations (provided in XD) - please suggest me if it's reasonable to do so, if it will work properly? (by clicking on centres icons, you can go to the Detailed Centre page) - if it's complicated, I'll provide you alternative option

EASY AND FAST – BOOK YOUR COWORKING SPACE IN 3 EASY STEPS

- Remove the boxes and steps
- Change this to “Meet With Us” – Let’s work together and find your ideal office solutions (find in XD)
- Instead of “Book a tour” change to “Book Your Tour Now”
- “Book Your Tour Now” directs to Brittany’s Calendly <https://calendly.com/brittany-tcc/30min?month=2023-08>

BENEFIT YOUR COMFORT

- Change “Become a Member” to “Join the Community”
- Change “Benefit Your Comfort” to “Member Perks”
- Capitalize the first letter in each word

- 8 Perks (design and icons provided in XD)
 - Access 24/7
 - Community & Network Events
 - Hybrid Meeting Rooms
 - Hot/Cold Beverages
 - Lounges
 - Private Phone Booths
 - Kitchen Amenities
 - Onsite Support

GALLERY SECTION

- GALLERY Title
- Have a gallery of photos of the centres that people can scroll through (Provided in XD)

Photos to add to the gallery
